

Model 90-110-120

Triple Reduction Planetary Gear Reducer

Flange Mount

Foot Mount

Flange or Foot Mount w/SAE or NEMA Input

NEMA Electric Motor Direct Mount

"C" face direct couple of motor to speed reducer. No need for coupling or special motor mounts.

SAE Hydraulic Motor Direct Mount

2 bolt or 4 bolt direct couple of hydraulic motor to speed reducer. No need for coupling or special motor mounts.

Byrne
**Gear Corporation
of America**

- Planetary speed reducers
- High-speed increasers
- Custom design geared products
